RE: Open ARC Board Seat

To Anchorage Running Club Board and Members:

My name is Tammy Morton and honored to be considered for a seat on the Anchorage Running Club (ARC) Board. I am a running advocate, a runner, an occasional walker, and committed to our diverse running community. The Anchorage Running Club contributes heavily to our running community and assisted me through many trials, tribulations, and triumphs.

I'm a member of the Anchorage Running Club, participated in ARC events, and a member of the Run Fest Race Committee. For the last three years I've been the Anchorage Galloway Running Group Program Director and an active member for six years. In my free time, I volunteer at other races including: Gold Nugget Tri, Jingle Bell Run, Frosty Bottom Marathon, Alaska Run for Women, and Zombie Run.

As a breast cancer survivor, Alaska Run for Women race holds a special place in my heart as a participant, volunteer, fundraiser, and TV promotions. Motivating others to volunteer and building excitement about an event are strengths of mine. I raised money for multiple races, experienced success empowering co-workers, and our corporate team won the fundraising and largest team award in 2017 at the Alaska Run for Women.

Running events pull me in like the force of gravity! Regardless of running ability, runners are a united force of athletes and I am proud to be one. Please consider me for the 2018 ARC Board Member election.

Sincerely,

Tammy M. Morton
