

I have been running competitively for more than a decade in a variety of races, both in Alaska, and outside. I would like to be on the ARC Board as a way of giving back to those who have always treated me with respect and kindness.

Professionally, I am a teacher at UAA, have considerable experience with committee work, and with the practical value of collegiality.

I would be proud to serve on the board of the Anchorage Running Club for these reasons.
